

Ryan Grant

An enthusiastic and adaptable professional with four years of software studies and a strong background in hospitality management and customer-facing industries. With proven skills in communication, problem-solving, and leading a team, I'm eager to transition my working knowledge into the software field. Driven to leverage both my technical knowledge and customer experience, I aim to contribute innovative solutions and make a meaningful impact within a digital environment.

Work experience

Six by Nico - Various roles – Jun 2018 to present

- **General Manager** - Sep 2019 to 2021

Led the refurbishment and launch of a new restaurant, ensuring a smooth transition and adherence to company standards. Key responsibilities included:

- Recruiting, training, and managing staff
- Overseeing inventory and supply orders
- Creating staff schedules and setting performance targets
- Handling customer inquiries and resolving complaints
- Ensuring compliance with health, safety, and licensing regulations
- Driving restaurant growth through operational improvements

- **Assistant General Manager** - Sep 2021 to **present**

Transitioned to the Assistant General Manager role to balance professional responsibilities with my studies, allowing me to focus on developing skills in software development.

- **Front of House Assistant** - June 2018 to Sep 2019
